Law Enforcement Code of Ethics

“As a law-enforcement officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against depression or intimidation; the peaceful against violence or disorder; and to respect the constitutional rights of all persons to liberty, equality, and justice. I will keep my private life unsullied, as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; be constantly mindful of the welfare of others; and be honest in thought, and deed in both my personal and official life. I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see, or hear of a confidential nature, or what is confided to me in my official capacity, will be kept ever secret unless revelation is necessary in the performance of my duty. I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice, or ill will, never employing unnecessary force or violence, and never accepting gratuities. I recognize the badge of my office as a symbol of public faith, and accept it as a public trust. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession... Law-Enforcement.”

2025 Annual Report

OUR CORE VALUES are fundamental convictions and beliefs that we hold so firmly that they cannot be altered by circumstances. Our values and how we define our values serve as our ethical compass in making decisions and taking actions. We refer to these values as **THE FORSYTH COUNTY WAY**

Agency Policy & Accreditation

Accreditation of law enforcement agencies helps to ensure accountability and transparency which enhances confidence and trust in law enforcement among the communities they serve. Law enforcement accreditation is a self-initiated process wherein standardized policies, procedures and practices are developed under the guidance of industry tested and proven standards, commonly referred to as “best practices”.

To obtain accreditation, law enforcement agencies must complete a “self-assessment” process to assure policies and practices comply with the standards of the accrediting agency. Next, a team of assessors who are seasoned law enforcement veterans visit the agency and conduct an on-site assessment which consists of policy review, interviews with agency personnel, analysis of high liability issues, ride-alongs with deputies and interviews with citizens of the community. The on-site assessment determines adherence to applicable standards and the award of accreditation. Accredited agencies must then maintain annual compliance during the accreditation period, which is four (4) years.

Since being elected Sheriff in 2016, Sheriff Freeman has made Accreditation a priority. Upon taking office, he immediately implemented the Accreditation Unit and tasked it with obtaining CALEA Accreditation. On November 18, 2017, within eleven (11) months of taking office, the Forsyth County Sheriff's Office was awarded LE1 by the Commission on Accreditation of Law Enforcement Agencies (CALEA).

Seeking to achieve the highest level of accreditation available, Sheriff Freeman pursued Advanced CALEA Accreditation. This goal was quickly achieved when on May 4, 2019, an award of Advanced CALEA Accreditation was presented to Sheriff Freeman. After successfully completing four (4) annual CALEA Assessments, including an on-site assessment in March of 2023, the Forsyth County Sheriff's Office was awarded another four (4) year term of CALEA Advanced Accreditation on May 4, 2023.

The Sheriff's Office also maintains Law Enforcement Certification by the Georgia Association of Chiefs of Police (GACP). On August 24, 2023, the Sheriff's Office successfully completed Year 1 of a four year State Law Enforcement Certification by showing continued compliance with all applicable standards.

Forsyth County Jail Accreditation

The Forsyth County Jail was awarded Level 1 accreditation by the National Institute for Jail Operations (NIJO) in August of 2022. This accreditation assures compliance with constitutional requirements for jail operations as well as compliance with applicable state laws and other best practices. In August of 2023, the Forsyth County Jail was recognized for maintaining the highest level of NIJO for two consecutive years.

Continuation of the various law enforcement and jail accreditations is made possible by the resolute and professional members of the Sheriff's Office. Conducting the annual self-assessments provides an avenue for personnel to be involved in policy review as well as statistical and analytical reviews of various high liability topics. This process educates, trains, and maintains the highest level of professionalism in agency personnel.

2025 Annual Report

A MESSAGE FROM:

Ron H. Freeman

FORSYTH COUNTY SHERIFF

Welcome to the Forsyth County Sheriff's Office 2025 Annual Report. It is my privilege to present to our citizens the exceptional work carried out by the men and women of this office. As the third-largest full-service Sheriff's Office in Georgia, the FCSO is supported by more than 500 dedicated employees who work tirelessly to **Keep Forsyth Safe.**

In 2024, Forsyth County experienced meaningful reductions in crime, continuing a ten-year trend of overall decreases across the county. That progress continued into 2025, with additional reductions in most major crime categories. Forsyth County remains the safest county in the metro-Atlanta area, a distinction we have held for the past decade.

A significant milestone in 2025 was the FCSO assuming operational responsibility for the County Animal Shelter, renamed the Pet Adoption and Resource Center, along with Animal Control Services and the Park Ranger Unit previously managed by Forsyth County Government.

We entered 2026 as one of the few large law enforcement agencies in the nation operating at nearly full staffing. While many agencies continue to face substantial manpower challenges, the FCSO remains well-staffed. Our in-house Advanced Law Enforcement Academy, housed in the former Midway Elementary School, exemplifies a strong partnership between the Board of Education, the Board of Commissioners, and your Sheriff's Office. By repurposing this facility, taxpayers saved tens of millions of dollars that would otherwise have been required to build a new training center. Today, the building serves as home to our Law Enforcement Academy, Training Center, and Physical Fitness Unit.

The year 2026 also brings exciting developments as we prepare to relocate our headquarters to the soon-to-be former County Administration Building. This facility is expected to meet the needs of the Sheriff's Office for the next two decades or more, and we anticipate moving into the new headquarters in the fall.

Serving as your Sheriff is a profound honor. Sheriffs are the only elected law enforcement officers in the State of Georgia, accountable directly to the citizens we serve. Your continued support and active involvement in helping Keep Forsyth Safe are vital to ensuring our community remains a place where we can live, work, and raise our families.

As I often say, "Crime will rise to the level a community tolerates." So long as I serve as your Sheriff, I remain steadfast in my commitment to ensuring that crime is never tolerated in Forsyth County.

FORSYTH COUNTY SHERIFF'S OFFICE 2025 Annual Report

Elected to office in 2016, Sheriff Freeman has been in law enforcement for over 35 years and began his career right here at the Forsyth County Sheriff's Office in 1987. Sheriff Freeman is well versed in all operations of the agency and has served in nearly every command. He entered his third term as Sheriff in 2025.

Sheriff Freeman's family has a long history in Georgia law enforcement. His father, a former police officer in Savannah and a Deputy in Screven County, and two uncles, one of whom served as Chief of the Chatham County Police and later Chatham County Sheriff's Office. Together they have more than 130 years of service to the citizens of Georgia.

Sheriff Freeman, as all Georgia Sheriffs, is a constitutional officer and works directly for the residents of Forsyth County and not for any other Government entity. He answers directly to the citizens of Forsyth County. The Georgia Constitution mandates that Sheriffs oversee the jail, keep the security of the courts and serve the court's papers, and provide general law enforcement for the county. For 2025-2026, Sheriff Freeman will serve as the President of the Georgia Sheriff's Association and was selected by his peers as the Georgia Sheriff of the Year for 2024.

Sheriff Freeman has been a resident of Forsyth County for more than forty-five years. He graduated from Forsyth County High School in 1987. He married his high school sweetheart, Dana, and they have two adult children whom both graduated from North Forsyth High School.

Sheriff Freeman holds the following degrees: Associates Degree in Criminal Justice, Bachelor in Organizational Leadership, and Master of Public Administration. He is a graduate of the FBI National Academy, National Sheriff's Institute and the Georgia Command College.
